

## Alliant 2 Network Operations and Infrastructure Solutions

*Technology solutions for your mission requirements from the proven leader for IT solutions that empower and protect the network.*

GSA's Alliant 2 is a multiple-award, indefinite delivery, indefinite-quantity (IDIQ) Government-wide Acquisition Contract (GWAC) that provides maximum flexibility in acquiring IT services-based solutions for any conceivable requirement.

Alliant 2 offers comprehensive, flexible, best-value IT solutions to federal agencies while strengthening opportunities in federal contracting for small businesses. It is designed to drive government savings through both efficiencies and improved reporting data with greater integrity, while maintaining an "Anything IT Anywhere" philosophy.

The scope of Alliant 2 encompasses all components of an integrated IT solution, including new technologies that may emerge during the life cycle of the contract. This GWAC provides IT solutions through performance of a broad range of services which may include the integration of various technologies critical to the services being acquired.

The primary Alliant 2 support areas include:

- Infrastructure
- Application services
- Customer services
- Process automation
- Business management
- Digital asset services
- Business analytical services
- Back office services
- Support services (security, systems, and forms management, communications)
- DoDEA mission area support
- IT management services
- Controls and oversight
- Risk management and mitigation
- Cybersecurity
- Regulatory development
- Planning and resource allocation
- System and network controls
- Big data & big data analytics
- Cloud computing

### Contract Benefits

With GSA's Alliant 2 Contract, government agencies can obtain a single source of integrated IT services and access to "best in class" private sector IT services. Its broad array of features and benefits include:

- Allows for long-term planning on large-scale programs
- Offers flexibility and supports all contract types (fixed price, cost reimbursement, labor-hour and time-materials)
- Adheres to pre-competed and streamlined ordering procedures
- Accommodates federal guidelines regarding enterprise architecture and other IT compliance standards and protocols
- Requires Top Secret facility clearances for awardees

### Contract Numbers:

- 47QTCK18D0035 IDIQ
- Full and Open
- DUNS: 0562-80621
- CAGE: OZPY5
- The Period of Performance and Ordering Period is a 5 multiyear base term through June 30, 2023, plus a 5 multiyear option period through **June 30, 2028**.
